

Economy Compact Passthrough Dishwasher – 450mm rack

W 650mm x D 650mm x H 1530mm

Washtech's XM is a simple-to-use and easy-to-maintain compact passthrough dishwasher. With one of the industry's lowest water consumption rates along with leading rinse heating, the XM provides excellent wash results in less time, while being light on operating costs and the environment.

The XM features Washtech Hybrid Controls which combine IP67 stainless switches, tried-and-tested switchgear, with a customisable electronic timer.

Since 1981 Washtech dishwashers have been constructed from heavy-duty stainless steel, and are engineered specifically for Australian conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your Washtech dishwasher will not let you down.

Standard Features

- Autostart on hood closure 1, 2 and 3 minute wash cycles
- Washes up to 840 plates per hour/960 glasses per hour
- Low hot water consumption of 2.2 litres per cycle
